SUMMARY

A Fresh Graduate Informatics student specialising in UI/UX Design with hands-on experience in designing user-centered digital products across web and mobile platforms. Skilled in translating user research into practical design solutions, with a strong focus on usability, clarity, and structured design systems. Experienced working in cross-functional teams and delivering end-to-end design from research to prototyping.

EXPERIENCE

COLLABORATE PROJECT

UI/UX Design Lead in Project VSTAGE **Feb 2026 - Present**

- Co-developed Vstage, a desktop application that simplifies karaoke session management for indie streamers and VTubers.
- Led research, UX/UI design, refining the product through continuous user feedback.
- Collaborated with the developer to deliver a live application that streamlines song metadata management and OBS overlay integration.

UI/UX Designer in Project Velutara; Itinerary Travel App **Feb 2025**

- Contributed to the creation of a design system including standard UI components, colour palettes, typography, iconography, and interactive elements to ensure a cohesive visual identity across the application
- Helped in building a library of reusable components, allowing the design and development teams to work more efficiently with well-documented and organised elements
- Worked alongside the lead UI Designer to establish a structured design hierarchy and visual style aligned with the app's branding

Deborah Tech **Nov 2024 – Feb 2025**

UI/UX Designer Internship

- Redesigned multiple company websites to improve structure, clarity, and visual consistency
- Developed wireframes and interactive prototypes to support design validation
- Collaborated with developers to ensure accurate implementation of design solutions

Infinite Learning, MSIB Kampus Merdeka **Feb 2024 - Jun 2024**

UI/UX Designer

- Conducted initial research and gathered relevant data to better understand project requirements and user context
- Created, documented, and maintained design systems, style guides, and component libraries to ensure visual and functional consistency
- Worked closely with developers and project manager to ensure the design implemented accurately

SELECTED PROJECT EXPERIENCE

Project Lexi; Reading Assistant For Dyslexics **Dec 2025**
UI/UX Designer

- Conducted primary research through 8 respondents of survey and analysed quantitative and qualitative data to identify key pain points in readability, visual contrast, and cognitive load.
- Improved usability by simplifying information structure and reducing user friction during reading tasks
- Designed adaptive interface features such as customisable typography and high-contrast modes
- Validated design decisions through usability testing and iterative prototyping

More Design Project on Dribbble & Behance **Present**
UI/UX Designer

- Challenged myself to create a Case Study and UI shot

ACHIEVEMENT

Hackfest0x05 **Dec 2021 - Jan 2022**
Capture The Flag (CTF)

- First Runner-up in a university-level cybersecurity competition.

SKILLS AND TOOLS

Industrial Skills: Prototyping, Research Skills, Time Management, Spreadsheets, IT Operations, IT Support

Core Skills: UI Design, UX Research, Wireframing, Prototyping, Design Systems, Usability

Tools: Microsoft Office, Google Workspace, Canva, Figma, Adobe XD, Blender, Trello, Front-End (HTML, CSS, Basic JS)

Soft Skills: Responsibility, Adaptive, Creative, Teamwork, Willingness to Learn New Things, Personal Development, Problem Solving, Critical Thinking, Design Principles, Law of UX

EDUCATION

Web Development & UI/UX Design **Feb 2024 - Jun 2024**
Infinite Learning, Batam

- Study UX and UI disciplines

Gunadarma University, Depok **Sep 2021 – Aug 2025**
Bachelor of Informatics
GPA: 3.81 / 4.00

ADDITIONAL INFORMATION

- **Languages:** Indonesian, English (Conversational Working Proficiency)
- **Certifications:**
  Intern Certificate at Deborah Tech PDF
  Certificate of Achievement C1 Level at Interpeace, Kampung Inggris PDF
  Intro to UI/UX Design PDF
  Certificate of Completion as an Independent Study in Infinite Learning (2024) PDF
  Javascript Programming Language Fundamental (2023) PDF
  Javascript Intermediate by Skilvul (2022) PDF
